INTELLECTUAL PROPERTY SECURITY AGREEMENT

This INTELLECTUAL PROPERTY SECURITY AGREEMENT, dated as of September 28, 2015 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, this “Intellectual Property Security Agreement”), is made by COUNTRY HOME PRODUCTS, INC., a Delaware corporation (the “Grantor”) in favor of JPMorgan Chase Bank, N.A., as administrative agent (in such capacity and together with its successors and assigns, the “Administrative Agent”), for the Secured Parties (as defined in the Collateral Agreement referred to below).

WHEREAS, GENERAC POWER SYSTEMS, INC., a Wisconsin corporation (the “Borrower”), entered into a Credit Agreement dated as of February 9, 2012, as amended and restated as of May 30, 2012, 2012, as further amended and restated as of May 31, 2013 and as further amended as of May 18, 2015 (as the same may be further amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Credit Agreement”), among the Borrower, GENERAC ACQUISITION CORP., a Delaware corporation (“Holdings”), the LENDERS party thereto from time to time, the Administrative Agent and the other agents named therein;

WHEREAS, as a condition precedent to the obligations of the Lenders to make their respective extensions of credit to the Borrower under the Credit Agreement the grantors thereunder executed and delivered that certain Guarantee and Collateral Agreement, dated as of February 9, 2012, as amended and restated as of May 30, 2012 (as the same may be further amended, supplemented, restated or otherwise modified from time to time, the “Collateral Agreement”) to the Administrative Agent for the ratable benefit of the Secured Parties (capitalized terms used and not defined herein have the meanings given such terms in the Collateral Agreement);

WHEREAS, pursuant to the Assumption Agreement, dated as of September 28, 2015, Grantor became a party to the Collateral Agreement as a Grantor and a Guarantor thereunder;

WHEREAS, under the terms of the Collateral Agreement, the Grantor has granted a security interest in certain property, including, without limitation, certain Intellectual Property of the Grantor to the Administrative Agent for the ratable benefit of the Secured Parties, and has agreed as a condition thereof to execute this Intellectual Property Security Agreement for recording with the United States Patent and Trademark Office and the United States Copyright Office;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor agrees as follows:

SECTION 1. Grant of Security. Grantor hereby grants to the Administrative Agent for the ratable benefit of the Secured Parties a security interest in and to all of Grantor’s right, title and interest in and to the following (the “Intellectual Property Collateral”), as

collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of Grantor's Obligations:

- (a) all Trademarks (other than any Excluded Assets), including, without limitation, each registration and application identified in Schedule 1 attached hereto;
- (b) all Patents (other than any Excluded Assets), including, without limitation, each issued Patent and Patent application identified in Schedule 1 attached hereto;
- (c) all Copyrights (other than any Excluded Assets), including, without limitation, each Copyright registration and application identified in Schedule 1 attached hereto;
- (d) all Trade Secrets (other than any Excluded Assets) and any of (a), (b) or (c) to which any Grantor is an exclusive licensee of any United States Trademark, Patent or Copyright, as identified in Schedule 1 attached;
- (e) any and all proceeds of the foregoing.

SECTION 2. Recordation. Grantor authorizes and requests that the Register of Copyrights and the Commissioner of Patents and Trademarks record this Intellectual Property Security Agreement.

SECTION 3. Execution in Counterparts. This Agreement may be executed in any number of counterparts (including by telecopy or other electronic transmission, including ".pdf" or ".tif"), each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 4. Governing Law. This Intellectual Property Security Agreement shall be governed by, and construed and interpreted in accordance with, the law of the State of New York without regard to conflict of laws principles thereof that would require application of laws of another state.

SECTION 5. Conflict Provision. This Intellectual Property Security Agreement has been entered into in conjunction with the provisions of the Collateral Agreement and the Credit Agreement. In the event that any provisions of this Intellectual Property Security Agreement are in conflict with the Collateral Agreement or the Credit Agreement, the provisions of the Collateral Agreement or the Credit Agreement shall govern. Unless otherwise defined herein, terms defined in the Collateral Agreement and used herein have the meaning given to them in the Collateral Agreement.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, the undersigned has caused this Intellectual Property Security Agreement to be duly executed and delivered as of the date first above written.
